# Regular beach cleanups by the Cascais Municipality (Portugal)

Cascais Municipality carries out, through Cascais Ambiente (former Environmental Municipal Enterprise of Cascais (EMAC)), the cleaning of the municipality's beaches and cliffs. The beach cleanups are performed throughout the year. In the bathing season they are performed on a daily basis and in the winter whenever necessary.

This practice is not exclusive to Cascais Municipality but common to all coastal municipalities.

## Facts

| | |
|---|---|
| Place / Location | Sub national, Cascais and other coastal municipalities in Portugal |
| Commencement Date | Unknown (Regular practice of coastal municipalities) |
